## **Predictions for 2024**

\* \* \*

Former U.S. President **DONALD TRUMP** has all charges against him dropped when he once more becomes President and pardons himself of all charges and convictions.

\* \* \*

**BEYONCÉ** will surprise fans by announcing a joint album with **LADY GAGA**, blending their iconic styles into groundbreaking musical fusion.

\* \* \*

**TAYLOR SWIFT** gets engaged – then dis-engaged – to football guy **TRAVIS KELCE**, of the Kansas City Chiefs.

\* \* \*

**HAILEY BIEBER** announces pregnancy. **JUSTIN** will be singing “Baby, Baby, Baby, Oh” once again – but also will be singing the “blues” – but this time for real! Because raising kids is enough to give *anyone* the blues.

\* \* \*

Canadian Prime Minister **JUSTIN TRUDEAU**, being quite the athlete that he is – suddenly comes tumbling out of the closet!

\* \* \*

**AL PACINO** to be *deeply* embroiled in a cause célèbre paternity suit involving a very young woman – (which in itself would be amazing, given his age!) – will cost him a pretty penny. All this expense and trouble for the sake of a few seconds of horizontal recreation.

\* \* \*

**ARNOLD SCHWARZENEGGER** is heading for the last round-up (with women, that is). I “see” him entering the hospital, but I don’t see him leaving – except feet first!

\* \* \*

**LEONARDO DICAPRIO**, an environmental tree-hugger, is discovered to be part-owner of a worldwide logging company.

\* \* \*

U.S. President **JOE BIDEN’s** health – or worse! – fails him just when he needs it the most.

\* \* \*

**ALEC BALDWIN**, as I predicted shortly after his “accidental” fatal shooting of cinematographer Halyna Hutchins on the set of the ill-fated western, *Rust*, will have no more future in the movie industry. The ill-fated actor should seek out a new source of livelihood. Once again The Four F’s strike again: “Fu-ked By The Fickle Finger of Fate!” Very tragic, indeed.

\* \* \*

**PRINCE HARRY** continues to be dragged around the world by his wife’s extremely tight grip on the crown jewels: “Yes, dear; no, dear; three bags full, dear – OUCH!!”

\* \* \*

**JOHNNY DEPP’s** scandalous trial with ex-wife **AMBER HEARD** has taken too much of a toll on his health, which continues to keep him in the *Depp-ths* of depression.

\* \* \*

Ever since **WILL SMITH’s** “slap heard around the world” – he couldn’t get back on track even if he dressed to parody the late Zsa Zsa Gabor (star of the original *Moulin Rouge* film) who slapped a traffic cop on Hollywood Boulevard – which truly did reverberate around the world. Smith’s career sinks so low that he’ll be able to walk under a snake wearing a top hat. (Will, wearing the top hat, not the snake.)

\* \* \*

**ROBERT DE NIRO** stars in a movie that flops so badly that “Raging Bull” comes to life once again!

\* \* \*

**BRAD PITT** should see a proctologist. He seems to be getting a little behind in his work, career-wise, that is.

\* \* \*

**WOODY ALLEN**, iconic comic, movie producer and actor dies under suspicious circumstances. His wife is interrogated by police!

\* \* \*

**KANYE WEST** renounces his current religious faith to become a Jehovah's Witness, going from house-to-house preaching its gospel to the "fed-up masses" to the point that he'll drive **KIM KARASHIAN** from his life, forever!

\* \* \*

Middle-aged **MADONNA** suffers a serious heart attack during her come-back concert – requiring quick action to save her life!

\* \* \*

U.S. Vice-President **KAMALA HARRIS** steps up to take charge when President Joe Biden is suddenly stricken by a shock which renders him helpless!

\* \* \*

Former N.Y. Mayor **RUDY GIULIANI** is convicted of racketeering. General public consensus being that the Trump henchman is so crooked that "He'd steal Jesus off the cross, and then come back later for the nails."

\* \* \*

Supermom **ANGELINA JOLIE** unfortunately will soon be attending the funeral of her famous-but-estranged father **JON VOIGHT**.

\* \* \*

**KING CHARLES III** and his consort, **QUEEN CAMILLA**, have a very public row over her heretofore closet drinking – now made known – to the point where cameras will be clicking and flashing as she wobbles and staggers across a marble dance floor at a high-profile function, with her tiara drooping non-rakishly over one eye!

\* \* \*

Pop princess **BRITNEY SPEARS** will end up broke and on welfare in short order. Her situation can be likened to **WHITNEY HOUSTON'S** and will follow her prescription descent into the sweet hereafter.

\* \* \*

**TOM CRUISE's** career takes off like a rocket – literally – when he signs on for a space shuttle ride insisting that “God was – and is – a Star-traveler” Whom he wants to meet face-to-face. (Old Tom is a scientologist, ‘ya know)

\* \* \*

**OPRAH WINFREY** to be awarded the Nobel Peace Prize and an award from the Kennedy Centre for the Performing Arts, for all her good works.
